what we do

here at the api superstore, we save you time, and, in turn, save you money. Our primary goal is to make your life easier. And to do that, we...

gather apis that we find online!

reorganize said apis to fit and accomodate your needs!

sell it back to you at an exorbitant markup!

testimonials

1) wow this is just the greatest jeez how did i ever find apis before this?!?!?!?

2) gamechanger 100 percent. seriously can't believe that 50cent hasn't invested in this, you nerds better get in on the ground floor.

3) WHOAWOW this is going to improve the lives of every person that doesn't know how to use google

4) it's like going to the wal-mart of apis except afterwards instead of being left with a sense of self-loathing you just have a bunch of dope apis!
